- **Noise Level:** < 60dB
- **Auto Start/Stop & Reverse**
- **Full Bin Alarm**
- **Display:** LCD
- **Shred Speed:** 3.5m/min
- **Dimensions:** L425 x W290 x H695mm
- **Weight:** 22.5kg
- **UK Product Code:** 40172
- **Euro Product Code:** 40175

1200XCD 12-Sheet Cross Cut Shredder

Features & Benefits

- **High sheet capacity & longer duty cycle** ideal for bulk and continuous shredding.
- **Low noise level** for shredding in the office without disturbance.
- **Shreds Credit Cards, CDs** for extra versatility.
- **Safety flap** for safer shredding of credit cards, CDs & DVDs.
- **Shreds staples** so convenient as no need to remove them.
- **Cross-cut shred** suitable for shredding confidential information.
- **Infra-red start/stop control** automatically detects and shreds inserted paper.
- **Reverse function** makes it easier to clear jams and misfed sheets.
- **Full Bin Alarm** conveniently alerts the user of when the bin needs emptied, reducing the risk of jamming.
- **LCD Display** enables simplicity of use and user-friendly indication of bin full, door open, jamming & overloading.
- **Large capacity, lift-out waste bin** for easier, mess-free emptying.
- **Fast shred speed** of 3.5m/min shreds an A4 sheet in just over 5 seconds!
- **Casters** for added mobility.
- **Sample oil bottle** included for convenience.
