

# Auto+ 750M Micro Cut Shredder

2104750

## Product Description

Spend 98% less time shredding, save time and money with Auto Feed shredders. This high security, large office auto feed shredder is ideal for over 20 users. The 750M shreds up to 825 sheets (70gsm) or 750 sheets (80gsm) automatically in to approx. 2,000 2x15mm micro cut pieces each and provides sufficient security to shred highly confidential documents. With the Auto+ 750M shredder you do not need to stand and feed it, or even remove staples or paper clips first. It has an automatic feed and a 115 litre bin so you can load up to 825 A4 sheets and leave it to get on with the job.

## Features

- Automatic Shredding
- Jam Free Clearance ensures that your shredder does not jam during the shredding process when you try to feed it too many sheets of paper.
- Power Saving Features
- The Intelligent Power Save feature ensures that your shredder shuts off automatically after 2 minutes of non-use, which in return saves energy.
- Rexel's new Auto Feed range enables you to spend 98% less time shredding - saving you both time and money.
- Reliable roller based technology
- High Security
- A high P-5 security level reduces documents to 2x15mm micro cut pieces. High performance document destruction to protect against fraud and identity theft.
- Shred up to 12 sheets through the manual feed slot
- Easy-Empty Bin
- The easy to empty 115 litre bin is capable of holding up to 1350 sheets. This means that you have to empty it less often and can concentrate on your shredding duties.
- Total Security
- The ability to shred both CDs and credit cards can prove to be vital considering the amount of sensitive information stored on them. This maximises protection and confidentiality.
- Self cleaning cutters
- Jam-Free Technologu
